Welcome to the Arboretum Adventure!

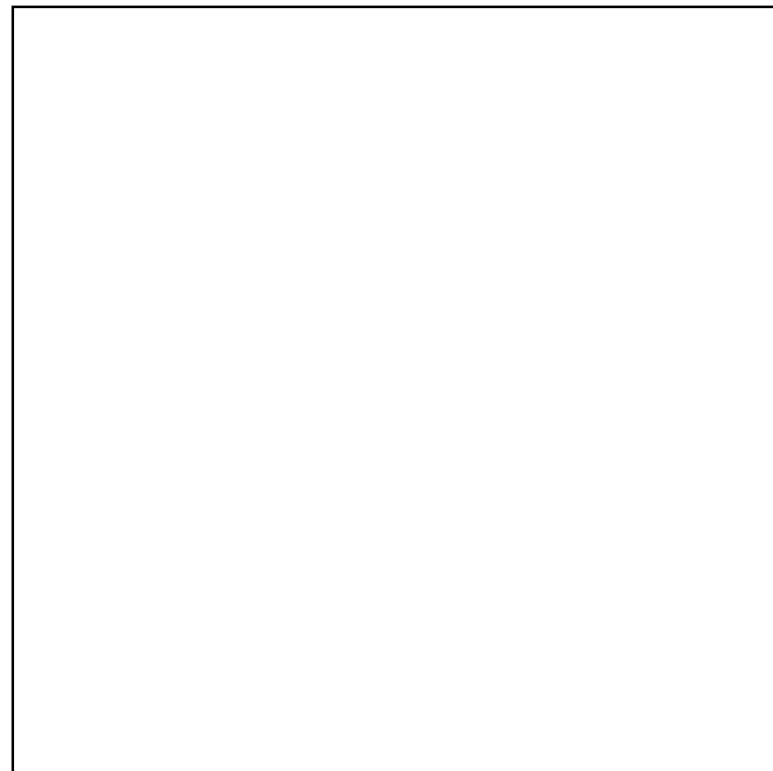

The Nebraska Statewide Arboretum is celebrating our 40th birthday. We hope you will celebrate with us by visiting some of the wonderful arboretums, gardens and parks around our state.

At each Arboretum you visit, read the clue and look for the plaque with the Arboretum Adventure logo and the name of the Arboretum (see the example on the front of the book). Use your guidebook to make a rubbing of the plaque and collect as many as you can! Keep your guidebook to remind you of your adventure and don't forget to register at <https://plantnebraska.org/explore> for a chance to win one of our 3 family adventure prizes.

We would love to see pictures of your adventure! Share them with us on Facebook, Instagram and Twitter with [#arboretum adventure](#)

How to Make a Rubbing:

1. Remove the paper from a crayon.
2. Place the correct page of your guidebook over the Arboretum Adventure logo.
3. Rub the side of the crayon over the paper.
4. Watch the logo take shape on the page.
