

Nomination for Arboretum Awards

Please nominate candidates for any of landscape awards below before October 3, 2022. Nominations will be reviewed and recipients selected by the NSA Awards Committee. Email questions to hpinneo2@unl.edu.

Blazing Star Award: Recognizes an individual or organization that has made a significant contribution toward advancing the horticultural use of native plants or the restoration of native plant communities in Nebraska.

Johnny Appleseed Award. Recognizes an individual who embodies the generous spirit of Johnny Appleseed through a sustained personal involvement in tree-planting in Nebraska.

Educator Award. Recognizes educators who have made an outstanding contribution toward advancing the knowledge and appreciation of plants among their students.

Community Landscape Award: Recognizes individuals, groups, businesses or organizations (including units of government) for the implementation of a landscape project or activity that has significantly improved the green infrastructure of a community. Such projects should reach beyond beautification to include elements of sustainability such as water conservation, stormwater management, land stewardship, tree-canopy restoration, habitat, biodiversity, soil improvements, education and outreach, native plants, etc.
