PLANTNEBRASKA TO HOST JULY GARDEN WALKS IN LINCOLN AND OMAHA

LINCOLN, Nebraska (June 11, 2026) – PlantNebraska will host a Garden Walk in Lincoln on Tuesday, July 7, and in Omaha on Tuesday, July 14. Both Garden Walks will be held from 5-8 p.m.

Nine gardens will be featured on the Lincoln tour and eight on the Omaha tour, with owners/property managers available at each site to answer questions and provide information about the plants, garden design and landscaping. All of the gardens included on the tours feature native plants and sustainable landscaping.

“This is a wonderful opportunity for our members and friends to showcase their sustainable landscapes and inspire others with ideas for their own spaces,” said PlantNebraska Executive Director Hanna Pinneo. “With gardens in full bloom and pollinators at their peak, July is the perfect time to see how plants support wildlife and create vibrant, healthy landscapes.”

Tickets for the Lincoln and Omaha Garden Walks are \$10/car for PlantNebraska members and \$15/car for the general public. Ticket purchases help to support PlantNebraska’s tree planting, garden making and environmental outreach work across the state. Upon registering, participants will be emailed a map of the gardens on the tours, the street addresses and a description of each.

To register for the 2026 PlantNebraska Garden Walks, visit plantnebraska.org/garden-walks.

-END-

PlantNebraska is a 501(c)3 nonprofit founded in 1978 that plants Nebraska for healthy people, vibrant communities and a resilient environment. We do this through tree planting, garden making, education and community building. We value our partnerships with our more than 100 affiliate sites throughout the state, more than 1,200 members and with the Nebraska Forest Service and the Institute of Agriculture and Natural Resources at the University of Nebraska. Over the last 30 years we’ve distributed more than \$10 million in grant funds to communities across the state to help make Nebraska a place where everyone wants to live, work, and play.
