Evolution of a GreatPlants® Garden

Amy Seiler
Community Forestry Specialist
Nebraska Forest Service

Just a little history . . . .

I

NEBRASKA STATEWIDE *Arboretum*

GreatPlants® for the Great Plains

- “A joint effort with the Nebraska Statewide Arboretum and the Nebraska Nursery and Landscape Association (NNLA) to promote the Great Plants program
- Selects underused, hardy, easy to care for and ornamentally friendly plants for the Nebraska region.
- Each year, new species are selected in four categories: tree, shrub, perennial and grasses for Plants of the Year, GreatPlant releases and Introductions.
- Members vote on the selections in January at the Nebraska GREAT PLAINS Conference..”
