GREENER TOWNS  Plant Grant Application

Does your Nebraska public landscape need a refresh? This Plant Grant is a simple way to get plants for your project, fast—with Greener Towns sharing half the cost. “You pick the day, we bring the plants.”

About Greener Towns
The goal of the Greener Towns program is to help make Nebraska communities greener and more resilient through the implementation of sustainable landscape projects that build soil, save energy, protect water and support wildlife. The program is made possible with funding from the Nebraska Environmental Trust. Learn more at environmentaltrust.org.

What to Expect

- This Plant Grant is for plants only, with a focus on native herbaceous perennials. Prices and coverage will differ from the above estimates for trees and shrubs. Upon award, NSA will contact the Project Coordinator about what kinds of plants to bring.
- Plants will be supplied by the Nebraska Statewide Arboretum from its inventory of small pots (2”, 3” and/or small tube sizes).
- The Project Coordinator is expected to have the site properly prepared for planting (diggable soil free of weeds, organic mulch and water source at-the-ready), and at least four volunteers ready to help plant upon delivery.
- **Greener Towns funds are used to cover half the cost of plants, up front (no reimbursement necessary).
- The Project Sponsor will be billed after plants are delivered, with Greener Towns funds applied to the amount due.
- ***Option to reduce the amount due by contributing match—ask us for details.
- No obligation—you are not required to use all of the plants. We will take back any that you don’t use.

Application Deadline is April 1, 2020

Qualifying projects/applicants will be assisted on a first-come, first-served basis. All applications must be emailed to Rachel Anderson at randerson28@unl.edu or mailed to:
