

GREENER TOWNS

United Faith Community Church

Our Community Building is used for church events as well as free, monthly community meals. This landscape will help create a welcoming feel for those attending community meals and other events. We hope this landscape encourages people to gather and meet each other.

Green Infrastructure Impact

- Native plants add beauty, and education to a community outreach building.
- Free community meals are provided here and volunteers wanted to add beauty to benefit participants mental as well as physical health.

The finished landscape, ready to grow and bloom in the spring!
