

GREENER TOWNS

Native Plant Garden, Morrill

F.OM.O Park sits on the highway at the east entrance to the Village of Morrill. It is home to the farmers market, baseball fields, and other events. The park is very open with few shade trees and no landscaping. This project created a welcoming garden, with flowers spring-fall that will greet visitors to the town, the park, and the farmers market.

Funding and Costs

Square Footage Impacted by Greener Towns	Volunteers	Plants Planted	Total Project Value
85	12	85	\$3,886.19

Species Highlights

Spice Baby Viburnum
Viburnum carlesii
'Spice Baby'

Bluebird Aster
